SUMMER STORY

About durofleX

We are a sleep solutions company strengthened by our five decades of expertise and best-in-class innovation to offer iconic and research-backed mattresses and technology-led sleep accessories. We have an ever-growing network of retail outlets spread across the country including exclusive stores and experience centers present in the metros. We are makers of India's No.1 doctor recommended orthopedic mattress range which is tested by National Health Academy.

Our offerings also include India's first antiviral mattress protector, naturally cool and eco-friendly latex mattresses, 100% memory foam pillows and anti-microbial roll pack mattresses - all designed to provide a deep, healthy and enriching sleep. We have also recently forayed into furniture, adding work-from-home desks and premium Sheesham wood beds to our ever-evolving product catalog. Constant expansion has made us grow into a sleep solutions company with a national footprint, cutting edge products, many exclusive technologies and fully backward integrated manufacturing facilities making us India's fastest growing sleep solutions brand.

OUR BED LINEN

Duroflex Bed Linen is our range of beautifully crafted bed accessories designed to bring charm and character to every sleep space. Each collection has been carefully created to add to the story of a modern Indian home, with an eclectic mix of contemporary and modern styles. The team has given special attention to detail, durability and style all for an exceptional value.

In a rapidly changing world, we also believe that any high use home accessory needs to be designed keeping the health of our consumers in mind. Our line of products are just not meant to adorn homes, they also come with an anti-bacterial treatment which ensures the safety of everyone who would use the product.

The introduction of our bed linen range will further serve the mission of Duroflex of bringing a balance of health and style to help India sleep better.

Powered by

N9 Pure Silver
Treatment

Our Bedsheets use the power of Silver to make them anti bacterial through N9 Pure Silver Technology.

Safe for Skin

The antibacterial properties of silver makes it safe for skin.

Long Lasting Freshness

Silver neutralizes the odour causing bacteria hence keeping the sheet fresh.

Sustainability Enabler

Fabric has long lasting freshness, resulting in lower no. of washes and saving energy and water.

Chroma

If a picture says a thousand words then a color can say a million. A wide assortment of such hues will drape your beds in the many shades of soothing happiness and a calming vibrance with Chroma.

Nostalgia

Walk down the memory lane with our collection of bedsheets inspired by the very essence of days gone by. From the leaves of grass to the perfect symmetry of flower petals, everything comes together in this collection to make your bedsheet the centerpiece of your bedroom.

Sanctuary

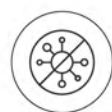

Transform your sleep space into your very own nirvana with Sanctuary - a tribute to nature and its infinite beauty. The chirping of birds and beautiful flowers waltzing to the wind's erratic tunes will come together to cover your mattresses in the lush comfort of nature.

Splendour
